Creative Writing Group

FREE GROUP for Adults with Borderline Personality Disorder

Our monthly writing group enables like-minded adults with Borderline Personality Disorder (BPD) to gather in a safe environment, socialise, have fun and get stuck into some creative writing.

Lauren facilitates the sessions, which focus on using creative writing as a tool for escapism and self-expression through activities, games and more.

Creative writing has many benefits, including helping us to explore and express ourselves as individuals, engage in distraction techniques and manage our emotions, all of which can be invaluable for those of us with BPD.
